Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Spiro Doukas

How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

Aquarius on 7th Cusp

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

Uranus Ruler of 7th

Report for Spiro Doukas Strengths in your relationships

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Trine Saturn (orb: 00 32')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 00 57')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Trine Saturn (orb: 01 29')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 05 08')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 06 44')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Conjunction Neptune (orb: 06 56')

Challenges in your relationships

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Opposition Jupiter (orb: 03 50')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

Gemini on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Mercury Ruler of 7th

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

Mars in 7th House

Without a partner your career may tend to flounder, so it's not likely you will live the single life for long. With you, it's a question of getting in a good relationship and then concentrating on being a success story, and not vice versa. You need a partner that will cheer you on in your work, or at the very least not stand in your way. There is also a tendency to attract people of some stature as friends, with the result that you tend to know the top professionals in your field or social group.

There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Sextile Jupiter (orb: 01 18')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Challenges in your relationships

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 00 26')

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Square Pluto (orb: 01 60')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Opposition Pluto (orb: 03 44')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Square Jupiter (orb: 04 59')

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

Mercury Square Neptune (orb: 05 12')

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Opposition Sun (orb: 05 25')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 05 43')

Report for Linda Denise Morris Your Relationship with Spiro Doukas

Aside from any physical relationship, you have found a real spiritual friend in Spiro. He tends to feel the same way you do about philosophical and religious issues. You find him very supportive, a real collaborator when it comes to ideas and issues of importance. Both of you are real talkers, and probably tend to burn the midnight oil once you get going. It is possible that he may introduce you to new spiritual and metaphysical concepts or strengthen any beliefs you already have. Long trips might be in order.

His Moon in Your Ninth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Spiro. He has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with him that they are not worth the hassle. He really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

His Sun in Your Twelfth House

You probably have some very unusual communication with Spiro. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

You always end up being the authority when the two of you get together. He has a true appreciation for your skills and abilities. In Spiro's eyes, you have the wisdom and practical good sense that he yearns for. There is a tendency for him to assume the role of a student or apprentice. He can't help but promote your stature and career, and loves to be seen in public with you. You are an important figure in his life.

His Venus in Your Tenth House

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. He drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Spiro as too much of a good thing. He may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

His Mars in Your Sixth House

He tends to lead you away from the bright lights, and shows you the value of home, family, and security. Spiro does not force this upon you. Through him you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. He is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

His Jupiter in Your Fourth House

A serious and perhaps lasting relationship, but not necessarily a romance. Spiro can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to him, for he might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

His Saturn in Your Seventh House

Spiro has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

His Uranus in Your Eleventh House

This relationship is potentially a very useful one. Through Spiro you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

His Neptune in Your Twelfth House

Spiro exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. From the first time you met, he probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing him.

His Pluto in Your Tenth House
