*Name: ABC*

*Date of birth: mm/dd/yyyy*

*Place of birth: Name of city, country*

*Time of birth: hh:mm:ss*

## Your Question:

Regarding your GRE exam.

## Our Answer:

It is our practice to analyze the exact period of the relevant question, through a Question Chart, in the horary process and then have it confirmed through the inherent possibilities displayed by your natal birth-chart, it being the relevant chart corresponding to the specific cosmic signature at the time of your birth that holds good for the individual through one's life.

I have gone through the planetary configurations in the question chart as well as in your natal chart with respect to your GRE exam related question. You would be happy to know that both the horoscope indicates favorable results with respect to getting success in coming GRE exam. Though in the question chart, there is dual sign in the ascendant as well as lord of house of education Venus is placed in the fixed sign, which indicates stability in current situation. However, there is movable sign in the house of education and lord of ascendant Mercury is in movable sign, which is a good indication for getting success in coming GRE exam. According to the question chart, particularly, during the month of February 2008, the dates 26th & 27th February and during the month of March 2008, the dates 24th & 25th March would be very supportive and favorable dates for getting success in GRE exam.

At the same time according to your natal chart, currently the period till 27th March 2008 is going to be favorable for you in this regard. Therefore, you should put your best effort for the preparation of GRE exam and take advantage of this favorable period till 27th March 2008. Especially, you should try to select the above-mentioned dates i.e. 26th & 27th February 2008 and 24th & 25th March 2008 in this regard where the chances for the success would be very high. I think I might have informed you this before that in your horoscope, there is influence of Kaal Sarp Dosham, which might play the role of snake and ladder kind play in ludo game. The influence of this yoga makes a person to do not get success despite of being very close to it. Therefore, before your GRE exam, you should try to perform Kaal Sarp Shanti Yagna to definitely get success in your exam.

## Astrological Remedy:

As suggested by me above, you should try to organise the **Kaal Sarp Shanti Yagna** to minimise the bad impact of this yoga.
