Your natal affinity to choice, motivation & preference of career path

❖ Choice of career as per your “Varna”.

From our natal chart, our Varna is calculated based on the Nakshatra location of Moon in our natal chart.

The original Varnashram was created to assign the division of labor in the production and distribution system of the economy. A person's Varna indicated his core competence based on his personality and intrinsic nature to be best suited for a particular function in the society. It was not a hereditary system.

We give below the different functions associated with each of the 4 Varna classifications.

In Bhagavat Gita, Lord Sree Krishna had mentioned about 4 Gunas, based on which 4 Varnas were created according to the kind of work (Karma), a person is supposed to perform in his/her life as per the qualities the person has inherited based on environment and circumstances and past Karma. These 4 kinds of works are necessary to maintain the smooth functioning of the society. These qualities were purely based on the person's natural talents and skill. This was an unique system but later on it got degenerated into the evils of Cast system which was purely based on heredity. Man is essentially a social animal. For his survival and prosperity, he has to interact with other people also. He has clear cut duties and responsibilities towards performing special functions which help the society to sustain and to grow and make progress.

These 4 Varnas are as follows:

People who by choice and independently, are involved in production and distribution of goods and services belong to “Vaishya Varna”.

People who by choice offer their services to others in the society based on their special skill and strength belong to “Kshatriya Varna”.

People who by choice offers their labour and skill completely to and individual or to an organization against fixed wages belong to “Shudra Varna”.

People who are not directly involved in any production or distribution of goods and services but have special skill and wisdom for which the society collectively recognizes and rewards or compensates them materially belong to “Brahman Varna”.

In today's global economy, the choices of professions or the different kinds of work that people perform are vast than what they were in ancient times, and every day new profession or new areas of work are emerging, but at fundamental level this classification into 4 Varnas are still very much valid.

As per your horoscope, Vedic astrology can decide you belong to which of the 4 Varnas. This is strictly based on your chart and has nothing to do with your hereditary status. A brahman's child can be shudra or vice versa.

You belong to Vaishya Varna. Due to their enhanced analytical and business skills, Vaishyas make excellent business-men. They are involved in large or small business ventures and trading. Stock trading, speculative trades and export-import are most suitable. They become successful venture capitalist, accountants and chartered accountants also. Entrepreneurs and startup heads belong to Vaishya Varna. They excel in marketing and sales job as well.

Choice of career as per the sign elements and sign types.

Table of planets sign type and sign elements

Watery signs favour all employments in which liquid is used, from mineral waters to wines and spirits, or from washing clothes to sailing yachts. Also emotional acting, elocution, etc.

Mercury as lord of the tenth house denotes success or failure according to sign and aspects. It generally gives ability to successfully undertake commissions and agencies. Or causes the native to adopt several professions and undertakings. If well aspected, this position denotes tact and a clear mind with fertility of resource.

Career preference & motivation as per Sun Nakshatra.

Sun is located in Cancer in Pushya Nakshatra in your chart whose lord is Saturn.

You are likely to be involved with career which is connected with water. Merchant Navy, Water transportation, irrigation work, work involved construction of water tank reservoir, bridge etc. You will also enjoy work which will involve movements of your body and different portions of your body like dance, aerobics, fitness, drama, art which are creative and involves frequent changes. Your career connection with 6th house & 10th house.

The 6th Lord Saturn is located in the 2nd house in its exaltation sign Libra. This indicates that relation with your subordinates will remain cordial. The 10th Lord Mercury is located in the dusthana 12th house which indicates turmoil in your career at times and career at a distant place. The 10th house Gemini is also aspect by Jupiter which indicates that you may get favorable results in your career in future. Mars & Mercury are weak in your birth chart which will cause some worry about your career. However as the 10th house is aspect by benefic Jupiter, the position is balanced. The weakness of Mercury & Mars in your birth chart indicates that you will not get full satisfaction in your career. There may be also confrontation with your superior & the working environment is not very good which may cause mental tension to you.

❖ Astrologer's comments on choice of your present career.

Astrological signatures analyzed so far indicates that job related to I.T. sector is the right choice in your career. You may also go for own business or profession in future; as 4th house is occupied by 7th Lord Jupiter in your birth chart. The 10th Lord Mercury is located in the dusthana 12th house also indicates any job relating to this field which is suitable for you.

❖ Astrologer's recommendation for alternative career choices.

You have reached only the age of 40. You have gained higher knowledge through higher education. As you want to know about the future of your career, you should not be worried about your career as The present transit of Jupiter through Aries till April 30, 2024 is not very good for your career. The next transit of Jupiter through Taurus after April 30, 2024 for next one year is better for your career.

You are now passing through the sub period of Saturn in the main period of Jupiter till 8th November 2025 is a moderately good period for your career & success. So you should go for a change in your career after the transit of Jupiter through Taurus after April 2024.

Competence and career highlights as per your birth chart

❖ Your competence with Self-Employment/Business or Job.

Your core competence lies in I.T. sector as Mars & Saturn are located in the 2nd house and 1st & 10th Lord Mercury is located in the 12th house. You are also suited for independent business in future as 4th house is occupied by 7th Lord Jupiter in your birth chart. So you may go for independent business in future. The 10th Lord Mercury is located in the dusthana 12th house which may cause many changes in your career. However you may get a new scope in your career within 8th November 2025 as you are now passing through the sub period of Saturn.

❖ Astrological potential for professional recognition & Success.

The sum total of Ashtakbarga scores of your 1st house, 5th house, 9th house, 10th house and 11th house is '149'. The average Ashtakbarga score of these 5 houses for success in profession is 140. Hence as per potential in your chart, you will get more than average success in your profession based on your competence and qualification. In professional terms you may reach the senior level of management within the professional structure of your organization. However it is also not possible to go the topmost echelon of business/management or administrators in the organization as 10th Lord Mercury is located in dusthana 12th house Leo in your birth chart.

❖ **Astrological potential for financial success.**

2nd house is the house of wealth or the net worth in your chart. 11th house is the house of income in your chart. Venus is the lord of the 2nd house in your chart and it is located in the 11th house in your chart. This is good for accumulation of wealth. The 11th Lord Moon is also well placed in the 1st house. This is also a good configuration for accumulation of wealth. Again the location of benefic Jupiter in the 4th house, the good effects will be enhanced to a great extent.

Further Ashtakbarga score for 11th house, the house of income is 36 which is much more than ok score of 28. The second house ashtakbarga score is also high of 31 which is also very good. It signifies that even if your income level is high in future, you may be able to save and accumulate wealth better. However as 12th Lord Sun is located in the 11th house & 1st Lord Mercury is located in the 12th house there may be loss of wealth but your expenditure will be high in future.

❖ **Astrological indication for frequent or minimum change in career.**

Saturn is located in a movable sign in your chart. Further lord of 1st & 10th house Mercury is also located in the 12th house in Leo.

So there will be more than one change in your career due to dissatisfaction in your career as 10th Lord Mercury is located in dusthana 12th house Leo in in your birth chart.

❖ **Level of efforts/slogging and responsibilities as per birth chart.**

There are 3 kinds of people in this world. The first group is very lucky that whatever efforts they make they actually get greater rewards and recognition for their efforts compared to other people. This means they are lucky to reap more than what they sow.

There are second group of people, they reap in exact proportion to what they sow. Finally the third group is somewhat unlucky , in spite of best efforts, the reward and recognition they get are not commensurate with their efforts. They reap less than what they sow. We call this reward to effort ratio in the chart and is computed by dividing the 11th house ashtakbarga strength with the ashtakbarga strength of 10th house.

Your 10th House Score is: 31

Your 11th House Score is: 36

Reward to Effort ratio in your chart is: 1.16

Therefore, the Karmic indication in your chart is such that you will always get higher reward than what you deserve. But this does not mean that you will receive reward without any efforts. Hence, you should be consistent in your efforts and it will definitely help you to gain great success in life.

❖ **Your relationship and emotional quotient with people in interaction.**

Sun is the natural signifier of Superiors in a chart. Sun is lord of your 12th house and is located in your 11th house with 9th Lord Venus. You will have moderate good relationship with your superiors as 10th Lord Mercury is located in the 12th house which is not very good. Again the relation with your subordinates will remain more or less cordial as 6th Lord Saturn is located in the 2nd house in its exaltation sign Libra. You will not feel in-secured in your career but there may be hidden enemies who are trying to do harm. You will not get full recognition for your efforts. The 4th & 7th Lord Jupiter located in the 4th house will minimize the evil effects to some extent.
