## Your natal affinity to choice, motivation & preference of career path

### ❖ Choice of career as per your “Varna”.

From our natal chart, our Varna is calculated based on the Nakshatra location of Moon in our natal chart.

The original Varnashram was created to assign the division of labor in the production and distribution system of the economy. A person’s Varna indicated his core competence based on his personality and intrinsic nature to be best suited for a particular function in the society. It was not a hereditary system.

We give below the different functions associated with each of the 4 Varna classifications.

In Bhagavat Gita, Lord Sree Krishna had mentioned about 4 Gunas, based on which 4 Varnas were created according to the kind of work (Karma), a person is supposed to perform in his/her life as per the qualities the person has inherited based on environment and circumstances and past Karma. These 4 kinds of works are necessary to maintain the smooth functioning of the society. These qualities were purely based on the person’s natural talents and skill. This was an unique system but later on it got degenerated into the evils of Cast system which was purely based on heredity. Man is essentially a social animal. For his survival and prosperity, he has to interact with other people also. He has clear cut duties and responsibilities towards performing special functions which help the society to sustain and to grow and make progress.

#### **These 4 Varnas are as follows:**

People who by choice and independently, are involved in production and distribution of goods and services belong to “Vaishya Varna”.

People who by choice offer their services to others in the society based on their special skill and strength belong to “Kshatriya Varna”.

People who by choice offers their labour and skill completely to and individual or to an organization against fixed wages belong to “Shudra Varna”.

People who are not directly involved in any production or distribution of goods and services but have special skill and wisdom for which the society collectively recognizes and rewards or compensates them materially belong to “Brahman Varna”.

In today's global economy, the choices of professions or the different kinds of work that people perform are vast than what they were in ancient times, and every day new profession or new areas of work are emerging, but at fundamental level this classification into 4 Varnas are still very much valid.

As per your horoscope, Vedic astrology can decide you belong to which of the 4 Varnas. This is strictly based on your chart and has nothing to do with your hereditary status. A brahman's child can be shudra or vice versa.

You belong to Vaishya Varna. Due to their enhanced analytical and business skills, Vaishyas make excellent business-men. They are involved in large or small business ventures and trading. Stock trading, speculative trades and export-import are most suitable. They become successful venture capitalist, accountants and chartered accountants also. Entrepreneurs and startup heads belong to Vaishya Varna. They excel in marketing and sales job as well.

❖ **Choice of career as per the sign elements and sign types.**

**Table of planets sign type and sign elements**

Type of Sign/Elements of Sign	Fire	Earth	Air	Water
<b>Cardinal</b>	--	--	Ju	--
<b>Fixed</b>	--	Ve, Me	--	--
<b>Mutable</b>	Ke	Sa, Ma, Mo	Su, Ra	--

**10<sup>th</sup> House**

Your 10th house from Ascendant is “Scorpio” sign. This is “Fixed” sign type with “Water” element.

Your 10th house lord is located in “Virgo” sign. This is “Mutable” sign type with “Earth” element.

**Career Choice as per sign type**

Majority of Planets in your chart are located in **Mutable** signs and in **Earth** Element.

**Mutable signs** fit the native to become a better servant than master; an agent, messenger, clerk, traveller, teacher, editor, speaker: but unless the nativity shows exceptional success he would do best in the employ of others. It sometimes denotes occupations in which uniform is worn, or work in institutions and public companies or where public commodities are dealt with.

**Career Choice as per sign element**

**Earthy signs** give employment in connection with buildings, mining, and all laborious, heavy and slow work in which time, labour and perseverance are required. Virgo inclines to chemistry, Taurus to agriculture or finance, Capricorn to administrative or political positions.

## ❖ Career preference as per 10<sup>th</sup> house of your birth chart.

Mars as lord of the tenth house denotes an ambitious and masterful spirit. It is favourable for success in business or profession, since the energy of the native is able to carry him through the turbulent and stormy periods he will experience in the business world. The native does not prosper when in business for himself, unless in an occupation of the nature of Mars, and this planet well aspected. The animal and passionate side of the nature is likely to override the intellectual and impulse or feeling to be much more prominent than reason. The native will not escape scandal or ill repute, whether deserved in the present life or not.

If afflicted by Uranus, the native either becomes immoral or is carried away by impulse and commits some rash act.

If afflicted by Saturn, the native is vindictive, resentful, and unforgiving, or overcritical and sceptical.

If afflicted by Jupiter, improvident and wasteful, or over-enthusiastic and self-deceptive. If well aspected, the native is courageous and brave, but acts more from impulse and instinct than reason.

Mars connects with employments and professions in which muscular energy is necessary, hazardous and skilful occupations in which there is always an element of risk and danger; such as soldier, surgeon, dentist, worker in metals, chemist, engineer, sailor, agitator, etc.

### ❖ **Astrological indication for frequent or minimum change in career.**

Lion's share planets are placed in the Earthy sign hence there will be average changes in career vis-à-vis job.

### ❖ **Level of efforts/slogging and responsibilities as per birth chart.**

There are 3 kinds of people in this world. The first group is very lucky that whatever efforts they make they actually get greater rewards and recognition for their efforts compared to other people. This means they are lucky to reap more than what they sow. There are second group of people, they reap in exact proportion to what they sow. Finally the third group is somewhat unlucky, in spite of best efforts, the reward and recognition they get are not commensurate with their efforts. They reap less than what they sow. We call this reward to effort ratio in the chart and is computed by dividing the 11th house ashtakbarga strength with the ashtakbarga strength of 10th house.

Your 10th House Score is: 26

Your 11th House Score is: 28

Reward to Effort ratio in your chart is: 1.07

Therefore, the Karmic indication in your chart is such that you will always get higher reward than what you deserve. But this does not mean that you will receive reward without any efforts. Hence, you should be consistent in your efforts and it will definitely help you to gain great success in life.

### ❖ **Your relationship and emotional quotient with people in interaction.**

You are ambitious, self-controlled and you have organizing ability. You can be a disciplined, patient, hard worker who eventually receives the deserved rewards. There is a tendency to take life very seriously and duty and responsibility are very important to you. You understand that time and suffering serve a purpose and that happiness is not the final goal of existence. You may find it difficult to divide your energies between work and play. You have the ability to translate abstract concepts into concrete terms. You may experience feelings of loneliness and inadequacy and that could be one reason why you tend to work so long and hard. You are also honest, congenial, gregarious and friendly nature.
