## Natal Status Of Planets In Your Birth Chart

We have listed above the natal promise of all the 9 Vedic planets in the chart based on their status in the chart. There are likely to be lot of contradictions about their significance in different aspects of life. The same planet may be beneficial for a particular aspect in one's life by it's house location but it can be inauspicious for the same aspects in life because of the lordship of houses in the chart. One planet can be beneficial for a particular aspect in life and can promise great success and at the same time another planet can be most inauspicious and promise complete failure for the same aspects in life.

Usually different astrological effects do not cancel or neutralize each other. Both the positive as well as the negative effects can affect a person's life.

How much positive and how much negative will depend on the planet's strength, it's functionality whether auspicious or inauspicious, and it's dignity in the chart, and also it's strength in the chart.

These calculations are complex and is not only made for the natal chart but is also made on the different divisional charts which are derived from the natal chart. An astrologer has to examine all these quantitative and qualitative aspects of each planet in the chart, before he can make a final judgment about each planet on how much positive and how much negative effects the planet will be responsible for different aspects of life in a person. His experience will also play a key role to arrive at a final judgment.

We give below in a table the strength of each planet in the chart and what will be the overall role of the planet in a person's life as per the astrologer's judgment.

## **Special Significance of Rahu/Ketu Axis (Rahu in 11<sup>th</sup> & Ketu in 05<sup>th</sup> House)**

### **NORTH NODE IN ELEVENTH HOUSE - SOUTH NODE IN LEO OR THE FIFTH HOUSE**

If the North Node is in the 11th house, the person's greatest growth, evolution, and fulfillment come through performing altruistic acts for society, getting involved with groups and friends, and developing a sense of detachment. In past lives, the person may have been extremely proud, renowned, and ego-oriented. Now he is here to care for the citizenry of the world. He must let go of emotional attachments, and seek to improve existing conditions of the common person. He should try to locate and abolish outdated forms and structures, and implement new, innovative, efficient methods wherever he can. The person should not place great attention on children, intense love affairs, and deeply personal pursuits.

The person should favor his mind, not his impulse. He must cultivate the intellect and allow his rational mind to take precedence. Science and research endeavors are favored. Rules, regulations, dogma, and rhetoric are not to be greatly regarded. The person is learning a much more impersonal style of functioning. He is concerned with knowledge, information, and truth, and is relinquishing old habits of sentimental convictions and individual preferences. Commitment to ideals, especially the betterment of humankind, is crucial. The person must perceive life from the viewpoint of society. He should take life easy, not intensely. He should meet with friends and groups regularly and effortlessly discover causes and campaigns worth furthering. Freedom, liberty, and equality for all must always be supported.

Fame and recognition are psychologically unimportant. The person may be a pioneer or revolutionary, but he is never to allow his reputation to go to his head. He should always favor activities, which have never been done before.

He does well with utopian movements, current fads, and prevailing crazes. He should generally avoid speculations, gambling, intense passions, and profound romance. His purpose is humanitarian. In Hindu astrology, the North Node (Rahu) in the eleventh house indicates great ability to fulfill major goals and desires. The person earns plenty of wealth from "side ventures," and has powerful, influential, and worldly friends.

The South Node (Ketu) in the 5th house means the person's "poorvapunya" or past life credit is connected to spirituality and psychic experience. In other words, in previous lifetimes, the person worked hard on attaining enlightenment and evolutionary growth, and in this life, he gains the benefits. Ketu in the fifth house does not produce many children. But those that are born will be introspective, psychic, contemplative, and decidedly spiritual.

## **Special Report on Debilitated/Exalted/Retrograde planets**

### **Saturn Retrograde**

Saturn signifies seclusion and renunciation. You would become more self-isolating, monastic, and may even turn antisocial. You feel that you are alone and no one understands you. Actually you have a deep sense of insecurity and are afraid of rejection by the world. Fatalism and pessimism would cloud your life. You can get withdrawn, grim and even depressed. In your isolation, you may become more nervous and fearful – even paranoid or agoraphobic.

## Different Planetary Yogas in your birth chart

Planetary Yogas are complex planetary combinations that consider many factors including sign, house and aspect. Yoga itself means combination. Many yogas require an exchange of signs between the two planets but not necessarily an aspect between them nor by conjunction in a particular sign.

Theoretically in any chart, there are hundreds of possible yogas. However not all of them are effective enough. Which Yoga will be effective and when will they be effective is again a matter of complex judgment by the astrologer.

We are giving below a list of important and effective Yogas in your chart, and their interpretation as per ancient astrological classics. Here again there will be contradiction between the positive and negative effects of Yogas in your life. This is followed by the astrologers comment which Yogas will be really effective and when they are likely to be effective in your life. There are many possible yogas in your chart. They could be in hundreds, but not all of them will be effective or significant. We are only mentioning the effective Yogas in your chart based on the natal status of the participating planets and also their participation in the Dasha system of your at the appropriate time in your life, when such yogas can have meaningful effects in your life.

### Important Yogas in your chart

#### Nala Yoga

If Lagna is in a Dvishvabhava sign and several planets also in Dvishvabhava signs then the effects of Nala yoga can be felt. One born in this Yoga is defective of a limb, resolute, very clever, of fluctuating wealth, good to look at, and fond of his near and dear ones. And there is a tendency to lose opportunities, leading to disappointment and dejection (unless other indications strongly display otherwise).

## **Sankhya Pasha Yoga**

All planets distributed over 5 houses in the chart. The person has a large family, is adept in work, skillful in earning wealth, crafty, impolite, fond of dwelling in forests, having numerous drawbacks.

## **Gaja-Kesari Yoga**

Jupiter in a Kendra from Moon. The person is illustrious, overpowering, virtuous, wealthy, intelligent, scholarly, of royal bearing and enjoys lasting fame.

## **Gaja-Kesari Yoga**

Jupiter 4th house from Moon. This combination should be very favorable for domestic comforts and the mother of the person. But according to Mansagari this Yoga deprives one of comforts at home, leads to troubles in respect of the mother, and confers an attitude to work for others.

## **Maha Raja Yoga**

There is of houses between the Lagna lord and the 5th house lord, while the Atmakaraka and Putrakaraka are in Karakamsha Lagna or the 5th house therefrom, or be exalted or in own sign and aspected by a benefic (Brihat Parashara Hora Shastra). The person will certainly become a great leader or a king of high status, and be happy and famous.

## **Raja Yoga**

A mutual relationship exists between the lord of the 5th house on the one hand and the 7th or the 10th on the other. This elevates the status of the individual in terms of success, recognition and status.

## Dhana Yoga

There is a relationship between the Lagna lord on the one hand and the 2nd, or 5th, or 9th or 11th lord on the other hand. The person will be wealthy.

## Karmajiva Yoga

Mercury rules the 10th house from Lagna, Moon or Sun (Brihat Jataka). (To a lesser degree than other Karmajiva Yogas) This combination could support other combinations indicating a profession connected to Mercury, like a mechanic, painter, sculptor, engraver, architect or scent-maker.

## Some Karmic Indicators in your birth chart

These indicators should be considered as indicative only and not definitive. Definitive conclusions can only be given when all factors are included along with the Dasha Vichar in the chart:

### ❖ Best phase of your life

As per Vedic astrology your Ascendant is: **SAGITTARIUS**.

According to the analysis of your chart the **First and Middle phase** of your life will be **okay and will have normal ups and downs**. During this phase you will enjoy your life but may also face some obstacles. These problems may be related to different aspects of your life.

According to the analysis of your chart the **Final phase** of your life will be the **best phase** of your life. During this phase you will enjoy your days and will gain happiness from different areas of your life.

### ❖ Best direction in your life

According to Vedic Astrology calculation your ascendant is **SAGITTARIUS** Sign, your Moon Sign is **CAPRICORN** and your Vedic Sun Sign is **CAPRICORN**.

According to the analysis of your chart the direction **West** would be **most beneficial** for you to pursue your vocation or take any opportunity that knocks the door of your destiny.

According to the analysis of your chart the direction **East** would be **most challenging** for you. So, it is best to avoid this direction. Your effort in this direction may not provide you fruitful result.

### ❖ Effort to reward ratio in your birth chart

There are 3 kinds of people in this world. The first group is very lucky that whatever efforts they make they actually get greater rewards and recognition for their efforts compared to other people. This means they are lucky to reap more than what they sow. There are second group of people, they reap in exact proportion to what they sow. Finally, the third group is somewhat unlucky, in spite of best efforts, the reward and recognition they get are not commensurate with their efforts. They reap less than what they sow. We call this reward to effort ratio in the chart and is computed by dividing the 11th house ashtakbarga strength with the ashtakbarga strength of 10th house.

Your 10th House Score is: 33

Your 11th House Score is: 39

Reward to Effort ratio in your chart is: 1.18

Therefore, the Karmic indication in your chart is such that you will always get higher reward than what you deserve. But this does not mean that you will receive reward without any efforts. Hence, you should be consistent in your efforts and it will definitely help you to gain great success in life.

❖ **Employment or business is suitable in your chart**

According to Vedic Astrology calculation your ascendant is **SAGITTARIUS**.

According to the analysis of your chart you will get more or less good results in your career and you will gain good **success** in this field; as 10<sup>th</sup> Lord Mercury is located in the 1st house. As the 7<sup>th</sup> Lord Mercury is located in the auspicious 1st house in your birth chart, you will get upliftment in your career & you are suited for job than own business.

## Life in general: Different aspects of your life

### ❖ Physical Characteristics:

This sign represents a person of moderately tall stature, oval visage, medium brown hair, ruddy complexion, well-formed head, organs of which are evenly developed. You possess a good, honest, truthful, loving disposition, a true and sincere friend, just in all dealings, and very fortunate in the passage through life. There is usually a strong leaning to the church or towards military life. Fond of sport and a great lover of horses.

### ❖ Mental Characteristics:

Your ascendant is Sagittarius. Sagittarius rising denotes an open minded, honest, sympathetic and generous disposition. Your fate is dualistic and is usually divided into two extremes of fortune and misfortune. You are highly impressionable, though fond of liberty and independence. You are often reckless, extravagant and careless. When undeveloped, you may be thoughtless, erratic and rebellious, but when you are intellectually awakened, you may be philosophical, a lover of law and order, peaceful, and more intuitive than imitative.

### ❖ Profession and core competence

The 10<sup>th</sup> house and 10<sup>th</sup> Lord and the planets that aspect your 10<sup>th</sup> house govern profession. The 11<sup>th</sup> house is also significant for business & 7<sup>th</sup> house for business partnerships. In your birth-chart, the 7<sup>th</sup> & 10<sup>th</sup> Lord Mercury is located in the 1st house in its enemy sign Sagittarius with Mars. This is a moderately good configuration for a smooth career.

However, Jupiter also aspects the planet Mercury in the 1st house, so the evil effects will be minimized to a great extent. You are best suited for administrative or managerial post.

You are now passing through the sub period of Venus in the main period of Saturn which will continue till March 16, 2027. This is moderate for your career as Venus is located in the dusthana 3rd house.

The next sub period of Sun till 26<sup>th</sup> February 2028 is a better period for your finance & career.

The next sub period of Moon till 26<sup>th</sup> September 2029 is a bad period for your career & finance. The time frame after April 30, 2024 is a good period for your career & finance. You are best suited for administrative or managerial job.

You will not get very good results in regard to your career in next seven years; as the Vocational indexes are worst.

#### ❖ **Money-property-income**

The 2<sup>nd</sup> and 11<sup>th</sup> Lords govern income & wealth besides the planet Jupiter, the 'karaka' for wealth. In your birth-chart, the 2<sup>nd</sup> Lord Saturn is retrograde & located in the 8th house aspect by Sun and Moon from the 2<sup>nd</sup> house. This is not good for accumulation of wealth. The 11<sup>th</sup> Lord Venus is also located in the dusthana 3rd house. This is a moderately good configuration for accumulation of wealth.

Again as 1<sup>st</sup> Lord Jupiter is also located in the 5th house in its neutral sign Aries in your birth chart, so there may be gain of wealth due to good investments. You will earn a moderately good amount of money through your own efforts, but your expenditure could be high.

You will acquire house, landed properties & vehicles with some difficulty and there could be also loss of wealth due to location of 2<sup>nd</sup> Lord Saturn in the 8th house.

### ❖ Romance and Married life

The 7<sup>th</sup> Lord and 7<sup>th</sup> house and Venus govern married life. The location of 7<sup>th</sup> Lord Mercury in the 1st house is good for a happy marital life. However Venus is not well placed in the dusthana 3rd house. The location of 8<sup>th</sup> Lord Moon is in the 2nd house which may cause some turmoil in your domestic life. Mars is located in the 1st house making you a Manglik. There may cause some lack of adjustment in your married life. You should also take care of the health of your spouse in future. There may be also turmoil in your domestic life at times.

### ❖ Parents & Sibling

The 9<sup>th</sup> Lord, 9<sup>th</sup> house & Sun govern relationship with father and 10<sup>th</sup> Lord, 10<sup>th</sup> house & Sun govern his life status & longevity. The 9<sup>th</sup> Lord Sun is located in the 2nd house in its enemy sign which is not very good in this regard but the 10<sup>th</sup> Lord Mercury is well placed in the 1st house. The relation with father will remain moderately cordial and he will get good life span. The 4<sup>th</sup> Lord Mercury, 4<sup>th</sup> house & Moon governs mother. In your birth chart the 4<sup>th</sup> Lord Jupiter is located in 5th house in its neutral sign Aries with malefic Ketu but Moon is waning in the 2nd house aspect by malefic Saturn which indicates that relation with her will remain moderate. She will suffer from some chronic ailment in future. The 3<sup>rd</sup> Lord, 3<sup>rd</sup> house & Mars govern younger siblings and 11<sup>th</sup> Lord, 11<sup>th</sup> house & Mars govern siblings. The 3<sup>rd</sup> Lord Saturn is retrograde & located in the 8<sup>th</sup> house which is not very good in this regard and the 11<sup>th</sup> Lord Venus is also not well placed in the 3rd house and Mars is also located in the 1st house aspect by Jupiter which is moderate in this regard; the relation with your sibling will remain moderately cordial in future and you may be worried about health & future of sibling.

### ❖ **Child birth & Happiness**
