Dear **XYZ**,

“It is with great pleasure that we present you your personal astrological signatures in a complete new look with added features from our proprietary 'Karma Index' report.”

We thank you for giving us the opportunity to analyse your birth chart.

It is not Vedic Astrology's purpose to replace an individual's responsibility to decide for themselves or to present a fait accompli forecast for the future. We believe that you control and shape your own destiny by your Karma and your efforts. However, this report tells you, how much and when the planets will be supportive for you or they will be challenging and can create obstacles and difficulties on your path.

We believe that stars will influence only 75%, and rest 25% is controlled by your own actions. However, sometimes that 75% may become critical over which you may not have any control.

With Warm Regards

## Natal status of planet at a Glance

We have listed above the natal promise of all the 9 Vedic planets in the chart based on their status in the chart. There are likely to be lot of contradictions about their significance in different aspects of life. The same planet may be beneficial for a particular aspect in one's life by it's house location but it can be inauspicious for the same aspects in life because of the lordship of houses in the chart. One planet can be beneficial for a particular aspect in life and can promise great success and at the same time another planet can be most inauspicious and promise complete failure for the same aspects in life.

Usually different astrological effects do not cancel or neutralize each other. Both the positive as well as the negative effects can affect a person's life.

How much positive and how much negative will depend on the planet's strength, it's functionality whether auspicious or inauspicious, and it's dignity in the chart, and also it's strength in the chart.

These calculations are complex and are not only made for the natal chart but is also made on the different divisional charts which are derived from the natal chart. An astrologer has to examine all these quantitative and qualitative aspects of each planet in the chart, before he can make a final judgment about each planet on how much positive and how much negative effects the planet will be responsible for different aspects of life in a person. His experience will also play a key role to arrive at a final judgment.

We give below in a table the strength of each planet in the chart and what will be the overall role of the planet in a person's life as per the astrologer's judgment.

Planet	Dignity (Based on Sign location)	Lordship	Functional Status Auspicious /Inauspicious	House Location	Planet Natal Strengths			Final Judgement by Astrologer

## Dasha Signature in the Year 2019

### (Vedic Vimshottari Dasha System)

#### ❖ Principles of Dasha System:

The Dasha Vichar or planetary periods of Vedic Astrology provide a unique and comprehensive system for judging the effects of planets throughout the development of our lives. They are the most accurate system for showing how the planets distribute their effects through time and the different stages of our lives.

The most common of these systems of planetary periods is the Vimshottari Dasha or the "120-year cycle". This follows a predetermined sequence, the starting point of which is determined by the longitude of Moon at the time of birth. In it, each of the seven major planets plus the two Lunar Nodes are given specific periods. This entire life span is divided into different main periods of planets and within this main period, there are sub-periods of all the planets and then each sub-period can be divided into sub-sub-periods of planets. The effects of the planets become most operative during the Main Dasha or the sub-Dasha. The transit effects and the relation between the Main planet and the sub-planet also determine whether the good effects will be more predominant or the bad ones.

We give your Dasha Table below:

You are now passing through the sub period of Rahu in the main period of Saturn throughout 2019 which is moderate for your finance, health & career as Rahu is located in the 8<sup>th</sup> house & Saturn is debilitated in your natal chart.

However as Saturn & Jupiter are favorable in transit from your natal Moon sign Libra you may get some favorable results in most aspect of your life during 2019.

The main period of Saturn is not very good for your finance, health & career as it is debilitated in the 10<sup>th</sup> house Aries & it is also a functional malefic planet for your Ascendant by virtue of Lord of the 7<sup>th</sup> & 8<sup>th</sup> houses in your birth chart.
