Take control of your destiny!

Dear XYZ

Please find our analysis on your **Investment Astrology - 12 Months Report**.

We thank you for giving us the opportunity to analyse your birth chart. Here we will provide the astrological signature for the coming year with respect to gain through speculative activity. Apart from this, the past experience and the knowledge of speculative market of any person also play a significant role for gain and loss through a speculative activity.

It is not Vedic Astrology's purpose to replace an individual's responsibility to decide for them what is best. Astrology tells us about the absence or presence of certain tendencies. It is up to us to use this information as a tool to form our own decisions and take our own actions. Please note that the accuracy of the predictions depends on the accuracy of the time of birth given to us by you. As per Vedic Astrology the stars will control only 75% of your life and the critical 25% will be your own efforts.

Kindly note that the main purpose of this report is to safeguard you from losses rather than your making financial gains from speculative activities. We wish you good luck and pray to God that you overcome all obstacles in your life.

With Warm Regards
Team Cyber Astro

Speculation & You as per your birth chart

Everyone gets lucky some time of the other, but it certainly helps to know when its possible to push one's luck that extra mile in the hope of a pot of gold at the end of it. The element of Speculative Luck potential that is ingrained in our Natal Chart actually dictates the extent to which this push can be made. This Report will help you determine this factor by analysis of your Natal Chart, house lordships and Ashtaka varga signatures.

According to the analysis of your birth chart, you have scored 13 points out of 27 points.

The score that you have obtained indicates satisfactory potential for gain through speculation and gambling. However, this does not mean that speculation gains can become a major source of income for you. You must check the planetary strengths in transit and the planet periods and sub-periods before you try your luck or indulge in serious speculation activity.

Occasional gambling or speculation for fun can fetch you gain without damaging your financial fortune but it is recommended that you must wait for the favorable time.

Your astrological signature & transit analysis for the specific time period

❖ Your Astrological Signature:

In your horoscope, Saturn is exalted whereas Jupiter is retrograde. Mars, Sun, Moon and Jupiter are considered as functional benefic planets in your horoscope vis-a-vis ascendant. You are passing through Mercury main period and sub period of Saturn ruling till September, 2021. Both Saturn and Mercury are considered as functional malefic planets in your horoscope vis-à-vis ascendant.

❖ Transit Analysis:

Transit of Saturn

At the present moment Saturn is transiting through the Sagittarius and it is the 2nd house of your horoscope. This transit is considered as demanding and taxing for you.

Transit of Jupiter

At the present moment Jupiter is transiting through the Scorpio and it is the 1st house from your ascendant. It is considered as good transit for you in every respect.

Transit of Rahu

At the present moment Rahu is transiting through the sign Gemini. It is the 8th house in your horoscope. This transit is considered as unfavourable for you.

Transit of Ketu

At the present moment Ketu is transiting through the sign Sagittarius. It is the 2nd house in your horoscope. This transit is considered as ominous for you.

❖ **Vimsottari Dasha Analysis:**

You are passing through Mercury main period and sub period of Saturn ruling till September, 2021. The transit of Rahu and Ketu through Gemini and Sagittarius axis is not favourable for you vis-à-vis pecuniary matter. Therefore you need to implement extra caution in order to ensure you do not lose your hard earned money. Plus Saturn sub period in the main period of Mercury will remain negative for any ambitious investment.

In the following table, I am pointing out the special/positive dates and also the negative dates during the above said period. Regarding the dates, which are not mentioned in the table, it is to be considered that you must be careful in speculative activity during these dates. During the positive days, you can make an attempt to reap maximum benefits from opportunities in speculation. On the other hand, you must try not to indulge in any speculative activity or the game of gambling during the negative days during the period under consideration.

Recommendation of Most Suitable Astrological Remedies

You should strengthen the planet Jupiter by wearing **YELLOW SAPPHIRE** weighing 5 carats in size. It must be mounted on a gold ring and worn on the index or fore finger of your right hand. The gem must be put on first on a Thursday morning. It will energize your auspicious 2nd house as well as trine Lord Jupiter auspiciously and positively.
