❖ Natal Status Of Planets In Your Birth Chart

We have listed above the natal promise of all the 9 Vedic planets in the chart based on their status in the chart. There are likely to be lot of contradictions about their significance in different aspects of life. The same planet may be beneficial for a particular aspect in one's life by it's house location but it can be inauspicious for the same aspects in life because of the lordship of houses in the chart. One planet can be beneficial for a particular aspect in life and can promise great success and at the same time another planet can be most inauspicious and promise complete failure for the same aspects in life.

Usually different astrological effects do not cancel or neutralize each other. Both the positive as well as the negative effects can affect a person's life.

How much positive and how much negative will depend on the planet's strength, it's functionality whether auspicious or inauspicious, and it's dignity in the chart, and also it's strength in the chart.

These calculations are complex and is not only made for the natal chart but is also made on the different divisional charts which are derived from the natal chart. An astrologer has to examine all these quantitative and qualitative aspects of each planet in the chart, before he can make a final judgment about each planet on how much positive and how much negative effects the planet will be responsible for different aspects of life in a person. His experience will also play a key role to arrive at a final judgment.

We give below in a table the strength of each planet in the chart and what will be the overall role of the planet in a person's life as per the astrologer's judgment.

Planet	Dignity (Based on Sign location)	Lordship	Functional Status Auspicious / Inauspicious	House Location	Planet Natal Strengths			Final Judgement by Astrologer

❖ Significance and status of each house in your birth chart

Table 2 gives each house and it's strength as well as the planets which influence each house in your chart either by location, lordship or by aspects in your chart. It also gives the final judgment of the astrologer and it's overall status in your life for each house in your natal chart.

The natal promise of different planets in your birth chart

❖ **Sun:**

Lord of the 2nd house positioned in the ascendant Cancer. Dignity Neutral.

In this position it acts as a double edged sword. It gives good leadership qualities but also gives a strong ego which one should guard against. It could cause quarrels in marital life due to ego clashes. The Sun, being cruel and malefic, in the 1st house gives a hot constitution, meaning an irritable or somewhat angry temperament. The person may be impatient or unkind. The heat of the Sun will burn or harm the confidence and self-esteem. This will not be obvious to everyone, since the Sun in the ascendant also gives pride, courage, power, and a good deal of assertiveness. There is no shyness to this placement, and there will be a strong ego. The person will be ambitious and desirous of a position of authority. The relationship with the father will be close and rather significant. There may be an attraction to government jobs. It gives good health and a strong constitution. This is generally a good position for success and respect from others, as the person presents oneself quite well.

❖ **Moon:**

Lord of ascendant positioned in the 8th house Aquarius. Dignity Enemy.

The ascendant is like a pillar of a horoscope and when the ascendant lord is ill positioned it could cause a sense of negativity in all spheres of life. The Moon, being the most important and personal planetary influence in Hindu astrology, is poorly placed in the 8th house. This may give a tendency to brood more than necessary over events thus leading to sudden moods of depression. One's fortune and general well-being are greatly harmed. There will be many health problems, and if the Moon is afflicted there is a strong chance they will be chronic or long-term. Peace of mind is greatly disturbed, and the person may have a weak or wavering mind. Intelligence, however, is not harmed, and due to the Moon's favourable aspect on the 2nd house, the person will be both knowledgeable and wealthy. She will do well in any research field. There may be an oversensitivity and lack of confidence, as well as other psychological complexes, which do not improve in time. Eyesight may be poor, as the Moon rules vision. The person is very sexually attractive and may have a powerful reproductive system. She is very intuitive or psychic, and there will be a strong interest in occult or metaphysical subjects.

❖ Mars:

Lord of 5th and 10th houses positioned in the 9th house Pisces. Dignity Great Friend.

This ensures good professional success. The person may be somewhat famous or an authority figure, because the significations of Mars will so greatly benefit from the positive energy of the 9th house. Therefore, the person has great drive, ambition, and forcefulness, and she will be successful. She may especially be a pioneer or proponent of a religion or philosophy. Mars in the 9th often indicates a person who is dogmatic or close-minded. She may be unwilling to confront or grasp abstract thoughts and will view all issues from an "either/or" perspective. Since Mars benefits by its association with the 9th house, the person may own property. She will also have strong blood, a powerful muscular system, and great courage. Although Mars rules brothers and sisters, they may not so greatly benefit, since Mars from the 9th will throw its malefic aspect onto the 3rd house. This position does not favour the performance of good deeds. There is generally a good deal of long-distance travel.

❖ Mercury:

Lord of 3rd and 12th houses positioned in the ascendant Cancer. Dignity Great Enemy.

Mercury gets dik bala, or directional strength, in the 1st house. Therefore this is its best position. With Mercury in the 1st the person is youthful in appearance. She will be intelligent, learned, and knowledgeable. She may be a writer or take up any career relating to communications. She will be witty and ingenious. She is an excellent speaker and will be very talkative. There will be talent or interest in math, poetry or fine arts. The person is handsome, respected, healthy, and long-lived. The person could be nervous and excitable. She may be lacking in real confidence though it could give a tendency to brag or boast.

❖ Jupiter:

Lord of the 6th and 9th houses positioned in the 7th house Capricorn. Dignity Debilitated.

The 7th house is a powerful kendra for the great benefic-Jupiter. Nearly all Hindu scriptures assert that an evolutionary leap is made in that the person will be far superior to his father. The person will be popular, honoured and highly respected. He will attain a high position at a young age in his teens or even during early childhood. The person is happy, healthy and extremely good-looking. He will be compassionate, diplomatic, and very aware of other people's feelings. If Jupiter is in the 7th house the person will get a beautiful and wealthy spouse. Ancient Hindu scriptures declare that a man with this placement gets a chaste wife. The spouse may also be religious, philosophical, and highly spiritual. Business partnerships will be successful and prosperous. The person himself leads a fortunate and charmed life. The benefic effects could be curtailed to some extent since Jupiter is debilitated and rendered weak.

❖ **Venus:**

Lord of 4th and 11th houses positioned in the 1st house Cancer. Dignity Great Enemy.

If Venus is in the 1st house, the person will be happy, healthy and long-lived. She will be lucky, wealthy, and respected. The person will also be beautiful, charming, and extremely attractive to the opposite sex. She will be romantic and highly passionate. She is fond of all kinds of sensual pleasures. The person is blessed with luxuries and comforts. She will own many ornaments (jewellery). She will appreciate or make a career in music, dance, drama, or another art form. The person is virtuous and performs good deeds. She will be of a sensitive and artistic nature. Venus in any Kendra gives a kind and forgiving nature.

❖ **Saturn:**

Lord of 7th and 8th houses positioned in the 12th house Gemini. Dignity Great Friend.

This could cause marital disharmony and fluctuation in business. This position is not favourable for worldly affairs but is good for religious life. It indicates secret enemies who may try to harm you. It could give a liking for secluded life. It could cause a weak constitution. It could curtail ambition but also gives a sense of contentment. It may make a person complacent and so miss out on some good deals. These persons may be good at quiet and laborious jobs and can face adversities with a quiet countenance.

❖ **Rahu:**

Positioned in the 6th house Sagittarius. Dignity Neutral.

Rahu in the 6th house gives the person great vitality and health. The person could also be long-lived. There could be a few enemies in life and career but she may be able to defeat her enemies and effortlessly rise above her competitors. She will excel in detail work and may be involved in any service job.

❖ **Ketu:**

Positioned in the 12th house Gemini. Dignity Neutral.

Ketu in the 12th house is for spiritual progress, as there will be good discriminative ability and an interest in spiritual pursuits. However it could cause some fluctuation in finance and there could be some unexpected expenses and debts.

Special Significance of Rahu/Ketu Axis (Rahu in 9th & Ketu in 3rd House)

If the North Node is in the ninth house, the person's greatest growth, evolution, and fulfillment come through pursuing religion, philosophy, and higher knowledge. In past lives the person was intellectual, analytical, meticulous, precise, and skeptical. Now he is to cultivate faith, and concentrate on ideals, paradigms, and the ultimate truth of existence. The person should use wisdom and seek broad viewpoints. He must give precedence to his intuition, feelings, and inspirations. He must take his visions and prophecies seriously, and give little importance to the petty and inconsequential in daily life. The person gains his greatest happiness by devoting his energies to spiritual ideals, mystical movements, and enlightened gurus. He is exceedingly gifted in promoting religion or any other knowledge, which raise the consciousness of the masses. Publishing, as a career, is greatly favoured.

The person must continually discriminate between right and wrong, and even make a discipline of the process. He should seek freedom and liberation, and develop his social conscience. Beliefs, principles, and morals are everything, and the person must maintain a positive outlook under all circumstances. The person is eternally concerned with profundities. He knows the meaning of life is to find perfection and God. Money, possessions, and material comforts are of little consideration. The person should seek to increase his generosity and charitable nature. Travel is a source of evolution, and the person may wish to engage in foreign affairs. He should take fun and recreation seriously, and enjoy speculations when he feels the impulse.

The person may pay little attention to relationships with siblings and relatives. He must relinquish his previously constricted or microscopic way of thinking and allow his perception and insights to take him to the highest interpretation of life that is possible. In Hindu astrology, the North Node (Rahu) in the ninth house indicates cravings for religion and higher knowledge, and great power after the age of forty-one. However, there may also be difficulties with the father and religious or spiritual teachers. The South Node (Ketu) in the third house means that the person is strong-willed, exciting and adventurous, and good at fulfilling his desires. It also signifies a spiritual, introspective, or introverted younger sibling. The nodes in the signs are of much less significance.)

"For a long time, it had seemed to me that life was about to begin -real life. But there was always some obstacle in the way, something to be gotten through first, some unfinished business, time still to be served, a debt to be paid. Then life would begin. At last it dawned on me that these obstacles were my life."

Special Report on Debilitated/Exalted/Retrograde planets

Constraints on the financial front would create problems for you. This in turn is likely to make you a selfish person. It is also possible that this selfishness may lead to dishonesty / lack of integrity. Problems from / to children may be experienced. Your knowledge base may suffer. Compassion that is generally found in a person may be found lacking in you. The decisions taken by you may not reflect the true wisdom in you.

❖ Jupiter Retrograde;

But there can be a problem in relationships where you are considering something better, more romantic and beyond what you have in the current partnership. You may run the risk of a lack of timely response to new opportunities.

❖ Ongoing Transit Signature of Jupiter & Saturn

Transit Signature of Jupiter

The natal Jupiter is not sharing a very favourable relationship with transiting Jupiter, even then, Jupiter transit alone is going to support you on career as well as on financial front. Since, Jupiter will transit in to 8th house from ascendant so, it is not good for investment, but its transit in to 2nd house from Moon sign is really going to help you on personal financial front.

As per Ashtakvarga calculation, Jupiter has got 4 points out of 8 points, so it is going to play 50% favourable role with respect to career, financial front and on romance life.
